The Northern Kentucky Water District (NKWD) provides water service to over 80,000 residential, commercial, industrial and wholesale customers in Northern Kentucky. The NKWD regularly is in need of professional services related to the cultural and historical resource evaluation used in the administration of and the supply, treatment, and distribution of potable water. To assist in this process, the NKWD is requesting Statements of Qualifications for professional services for cultural and historical resource evaluation. The purpose of these Requests for Qualifications is to identify a list of firms for these types of services.

Copies of both the Request for Qualification for General Cultural and Historical Resource Consulting Services may be obtained from the office of Northern Kentucky Water District at the address indicated herein or by contacting Denise Manning at (859) 426-2718. There is no charge for these documents.

Minority companies are encouraged to submit.

Amy Kramer, V.P. of Engineering, Production and Distribution
