NKWD and SD1 Mascots Participate in “Water Events” 2015 AWWA KY/TN Section Water Professionals Conference

Erlanger, KY – During the 2015 KY/TN Section Water Professionals Conference July 26-29th, mascots for conference co-hosts Northern Kentucky Water District (NKWD) and Sanitation District No. 1 (SD1), made appearances at several conference events. James Abbatiello (NKWD) and Jason Crawford (SD1) did an outstanding job as Tapwater Ted and Splash McClean delighting kids and adults alike. Water for Life was a free event at Newport on the Levee staged to bring awareness to water conservation and water quality. The mascots also cheered the NKWD Tappers on to a sixth straight win and attended the Member Celebration at Great American Ball Park.

The KY/TN Section is one of 43 sections of the American Water Works Association (AWWA), an elite group of professionals who strive to create the best solution based approaches in the supply and protection of drinking water. The event was held at the Northern Kentucky Convention Center.
