NKWD Participates In “Waterfic” Program

Erlanger, KY – On Friday, October 7, 2011 the Northern Kentucky Water District again participated in Sanitation District No. 1’s annual Waterfic program for Northern Kentucky area 6th grade students. Fourteen (14) partnering organizations hosted booths this year and conducted demonstrations for about 250 sixth grade students, teachers and chaperones from four area schools, including: Newport Middle School, St. Mary School, St. Thomas School, and Ludlow Elementary.
